In the course of providing Airtime Services to you, KVH Industries Inc., its family of companies ("KVH"), and its processors (service providers used for the provision of your service as set forth in the Master Services Agreement) will obtain certain usage-related information about the quantity and type of the telecommunication services that you use and the manner of your use, which is referred to as customer proprietary network information or CPNI. CPNI relates to the type, quantity, destination, browsing history, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. KVH does not sell, trade or share your CPNI with anyone outside of the KVH and its processors, unless required by law.

At any time, you may change or withdraw your approval for KVH or its processors to use your CPNI by sending an email to us at privacy@kvh.com. Denying KVH or its processor's use of your CPNI will not affect the provision of any services we provide to you. For additional information see our [Privacy Policy](#).

INTRODUCTION

1. Introduction.

This Master Services Agreement (“**Agreement**”), whether electronic or on paper, is a contract between a subscriber (“**Subscriber**”) and KVH Industries, Inc., including any of its wholly owned subsidiaries (“**KVH**”). This Agreement applies to all services identified in this Agreement and made available to Subscriber by KVH (“**Services**”).

2. Definitions.

In this Agreement, capitalized terms have the meanings given to them when they are first used or the meanings given to them in this Section 2 (Definitions).

“**Aggregate Information**” includes information constituting or descriptive of demographic information, operational data, location, position, movements, habits, usage patterns, preferences, survey data, transmitted or received Content, or other descriptive or related data that does not include the identity of any Subscriber, Subscriber vessel, or particular user of the Services.

“**AgilePlans**” means a package of Services that are made available by KVH on a month-to-month basis pursuant to a monthly subscription fee and include the Services identified on an AgilePlans by KVH Service Order, the Terminal Equipment identified on an AgilePlans by KVH Service Order, and the KVH OneCare Global Technical Assistance service.

“**CommBox**” means a CommBox network management solution used on a vessel and potentially also at an onshore location to improve network performance and control. A CommBox solution includes CommBox standard software (“**CommBox Software**”) and can also include additional software modules for additional functionality (“**Add-on Software Modules**”).

“**Data Controller**” means the natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data, or as defined under applicable law. KVH operates as a Data Controller with respect to the personal data it collects and uses. For a list of KVH entities, please visit www.kvh.com/About-Us/Contact-Us.aspx.

“**KVH mini-VSAT Broadband TracPhone Product Integrated Solution**” means the KVH mini-VSAT Broadband TracPhone V/V-IP/V-HTS terminal installed with any of the following: Any other KVH TracPhone antenna system, KVH TracVision marine satellite television antenna system, or third-party equipment sold by KVH. A KVH mini-VSAT Broadband TracPhone V/V-IP/V-HTS terminal installed with an IP-MobileCast media server or a KVH WatchBox and with no other KVH or third-party equipment sold by KVH does not constitute a KVH mini-VSAT Broadband TracPhone Product Integrated Solution.

“**Personal Data**” means any information regarding an identified or identifiable natural person, or as defined under applicable law.

“**Service Order**” means each KVH form, whether electronic or on paper, Subscriber completes, executes and submits to KVH, either directly or electronically through www.myKVH.com (the “**myKVH Site**”) to order or modify Services from KVH. For the avoidance of doubt, an Activation Form is a Service Order for new Service(s). The AgilePlans by KVH Service Order is also a Service Order for new Services.

“**Service Provider**” means any third-party provider of networks, communications services, or support services authorized by KVH to provide the Services, including satellite and gateway services, and terrestrial and LTE networks, and includes the affiliates, resellers, channel partners and agents of KVH and such third parties authorized by KVH.

“**Terminal Equipment**” means a two-way satellite or LTE antenna and/or other associated terminal equipment (potentially including, but not limited to, servers, terminals, set top boxes, modems, the CommBox, or WatchBox), that is certified and type-approved by KVH for use with the Airtime Services.

“**WatchBox**” means a data integration and management system or hosted software that is located on a vessel and collects and aggregates operational, position and environmental data regarding the vessel for display using a secure Internet portal at any location with Internet access of Subscriber’s choosing. WatchBox may include any sensors, data interfaces and software modules that are provided by KVH or its Service Providers and are located on a vessel for use by Watch to collect and aggregate operational and environmental data. WatchBox does not include the Airtime Service that is available separately from KVH or a third-party provider to transfer the WatchBox data from the vessel to an onshore Internet point-of-presence.

3. Binding Agreement.

By purchasing Services from KVH, Subscriber agrees to abide by the terms and conditions of (i) this Agreement, (ii) the terms of each Service Order, and (iii) applicable pricing plan, rate sheets and policies associated with the particular Services selected by Subscriber on each Service Order (the “**Subscriber Policies**”) (for purposes of this Agreement, the terms and conditions of each Service Order and the Subscriber Policies shall be included in the definition of “**Agreement**”). The Subscriber Policies shall be published and made available by KVH to Subscriber at www.kvh.com/mybvcustomercenter. KVH shall not be bound by Subscriber’s terms and conditions in Subscriber’s purchase order with Service Providers or elsewhere.

4. Services Description.

Most of the Services made available by KVH to Subscriber involve two broad categories: “**Airtime Services**” and “**OneCare Technical Assistance Services**” described in Section 4(a) and 4(b) below. OneCare Technical Assistance Services may be supplemented with additional non-subscription support services known as OneCare Professional Services which are described in Section 4(c) below.

(a) **KVH’s Airtime Service(s)**. KVH’s Airtime Service(s) consist of any form of communications or data transmission, management, display, or storage service and the substance of that service (“**Content**”), such as Internet access, voice, data, software, facsimile, programming, news, weather, training and educational information, vessel operational, location and/or position data, and video supplied by KVH and its Service Providers. An Airtime Service may also consist of a Voice over Internet Protocol (“**VoIP**”) service supplied by KVH (“**VoIP Service**”), but excludes VoIP services provided by third parties, which are prohibited by the terms of this Agreement. KVH may supply Airtime Services to Subscribers using networks, services and communications Content of various Service Provider(s).

KVH’s picocell cellular service, which is made available through a Service Provider under a separate contract is not a part of an Airtime Service.

(b) **KVH’s OneCare Technical Assistance Services**. KVH’s OneCare Technical Assistance Services include (i) “**Operational Services**,” which are discussed in Section 66 below, and (ii) three

levels of subscription-based technical and operational support services: (1) “**Standard Technical Assistance**,” (2) “**Premium Technical Assistance**” and (3) “**Global Technical Assistance**.”

(1) **Required Services for Covered Terminal Equipment.**

(i) KVH requires that Subscribers of Airtime Services (except Subscribers receiving Airtime Services as a part of KVH’s AgilePlans Service) purchase one of the three levels of subscription-based OneCare Technical Assistance Services for each KVH mini-VSAT Broadband TracPhone V/V-IP/V-HTS terminal and for each KVH mini-VSAT Broadband TracPhone Product Integrated Solution.

(ii) Subscribers of KVH’s AgilePlans Service receive KVH’s OneCare Global Technical Assistance as a part of the Agile Plans Service at no additional cost.

(2) **Standard Technical Assistance.** Airtime Service Subscribers that have stand-alone KVH mini-VSAT Broadband TracPhone V/V-IP/V-HTS terminals are eligible to subscribe to any level of OneCare Technical Assistance Service and are required, at a minimum, to subscribe to Standard Technical Assistance. The Operational Support provided by Standard Technical Assistance covers only the KVH mini-VSAT Broadband TracPhone V/V-IP/V-HTS terminal, its embedded software, and any IP-MobileCast media server and/or WatchBox that may be installed by KVH with the terminal (“**Covered Terminal Equipment**”).

(3) **Premium and Global Technical Assistance.** Airtime Service Subscribers that have a KVH mini-VSAT Broadband TracPhone Product Integrated Solution are required to subscribe to either Premium or Global Technical Assistance. Premium and Global Technical Assistance provides support for the mini-VSAT Broadband TracPhone Product Integrated Solution and any third-party equipment sold to Subscriber by KVH and included as part of the integrated solution (also included within the definition of “**Covered Terminal Equipment**”). Global Technical Assistance also provides Remote Port Repair Coverage.

(c) **Additional Support Services.** OneCare Technical Assistance Services may be supplemented with additional non-subscription support services, including OneCare Application Engineering, OneCare Solution Deployment, and OneCare Preventative Maintenance (collectively, “**OneCare Professional Services**”). The OneCare Professional Services are not automatically included in the OneCare Technical Assistance Services and are governed solely by KVH’s Professional Services Terms and Conditions, which can be found at KVH’s website (www.kvh.com/professionaltermsandconditions) and not by this Agreement.

(d) **CommBox Support.** Users of CommBox are required to have a subscription to the CommBox Software Maintenance and Support service (“**CommBox Support**”).

SUBSCRIBER’S ACCOUNT

5. Subscriber Representations.

Subscriber represents to KVH that: (a) Subscriber or the person executing this Agreement or Service Order on behalf of Subscriber is of legal age, is fully competent and has the power and authority to enter into and perform Subscriber’s obligations under this Agreement; (b) if Subscriber is an entity, the person executing this Agreement or Service Order is authorized by Subscriber to do so; (c) Subscriber will comply with all terms and conditions of this Agreement, the terms of each Service Order and Subscriber Policies; (d) all information provided by Subscriber to KVH on each Service Order, on the myKVH Site or elsewhere is truthful, accurate and complete; and (e) Subscriber will notify KVH promptly of any changes in such information.

6. Credit Approval and Security Deposit.

(a) **Credit Approval.** All accounts are subject to credit approval. In addition to information supplied by Subscriber, Subscriber hereby consents to KVH obtaining Subscriber credit information from trade references and credit reporting agencies, and such other sources as KVH deems necessary or appropriate.

(b) **Security Deposit.** Based on this information and other factors KVH deems relevant to Subscriber’s creditworthiness, including without limitation Subscriber’s payment history and/or usage patterns, KVH may require Subscriber to make a security deposit or other form of payment guarantee. Such deposit shall be subject to increase or decrease as KVH deems necessary (including based upon unusual or excessive usage) and shall not accrue interest unless required by law. Such deposit is not a credit against any payment obligations. KVH will refund Subscriber’s deposit upon termination of a Service Order(s) or this Agreement, as applicable.

(c) **No Waiver.** Subscriber may receive Services prior to completion of a credit review or security deposit request. In providing Services, KVH does not waive its right to demand a security deposit or complete a credit review. KVH reserves its right to suspend or discontinue Services should Subscriber not timely satisfy KVH’s security deposit demand.

7. Operation of Subscriber Account.

(a) **Account Registration.** Subscriber must initiate its account by registering on the myKVH Site, including providing all information required by the registration process, and by completing the registration, including Subscriber’s acknowledgement and consent to the terms of this Agreement, through the associated Service Order execution process. Subscriber, or its Authorized Representative(s), can then order Services from KVH by completing Service Orders associated with its account and, with respect to Service Orders completed electronically on the myKVH Site, by executing those Service Orders through the associated electronic signature process.

(b) **Obligation to Notify of Changes in Account Information.** Subscriber is solely responsible for keeping Subscriber’s account information with KVH up to date. Subscriber’s failure to promptly provide KVH with accurate, complete and updated account information in writing shall constitute a material breach of this Agreement, and may result in the immediate termination or suspension of this Agreement or Subscriber’s account by KVH.

(c) **Invoices and Notices.** KVH will deliver invoices and important notices to Subscriber via the electronic mail address on Subscriber’s Service Orders. Subscriber shall not be released from Subscriber’s obligations under this Agreement, including the obligation to make timely payment, because invoices and notices are not received.

(d) **Authorized Person(s).** Subscriber may designate other person(s) as “**Authorized Representative(s)**” or “**myKVH Authorized User(s)**” by completing, signing, and submitting to KVH an Account Administration Form, which can be found at KVH’s website (www.kvh.com/accountadminform) or when available via the myKVH Site.

If Subscriber makes an Authorized Representative designation, Subscriber grants such person(s) full right, power and proper authority to enter into and act for and on behalf of Subscriber with respect to this Agreement, including but not limited to the purchase or modification of Services and management of Subscriber's account, except for appointing additional Authorized Representatives.

If Subscriber makes a myKVH Authorized User designation, Subscriber grants such person(s) full right, power and proper authority to enter into and act for and on behalf of Subscriber with respect to the specific account functions and/or roles designated on each Service Order or the Account Administration Form (as applicable).

All use by an Authorized Representative(s) or myKVH Authorized User (collectively, "Authorized Person") is subject to this Agreement.

- (e) Responsibility for Authorized Person(s). Subscriber agrees to accept all responsibility and liability for all decisions, omissions, actions, and changes made by Subscriber's Authorized Person(s). Subscriber agrees to reimburse, indemnify and hold harmless KVH on demand for any and all costs, expenses and reasonable attorney's fees incurred by KVH in defending any claims relating to or arising out of any decisions, omissions, actions, and/or changes made by Subscriber's Authorized Person(s).
- (f) Removal of Authorized Person(s); Changes in Services. At any time and without prejudice to or adverse effect on any rights KVH may have against it or Authorized Person(s), Subscriber may remove the authority of an Authorized Person by submitting a signed Service Order to KVH or electronically via the myKVH Site.

RESALE AND THIRD PARTY USE

8. Resale, Distribution, and Third Party Use.

- (a) No Resale or Unauthorized Distribution of Services or Content. Subscriber shall not re-sell or distribute the Services or provide the Services or the Content to any third party, with or without consideration, without KVH's prior written consent, in its sole discretion. The sole exception to this restriction is making the Services or Content available to employees, crew, customers, Authorized Persons and other individuals designated by Subscriber as eligible to use the Services (collectively referred to as the "Third Party Users"). KVH reserves the right in its sole discretion to terminate this Agreement or suspend Services in the event of unauthorized resale or distribution of Services or Content by Subscriber.
- (b) Responsibility for Third Party Users. Subscriber shall be fully responsible for the compliance of its Third Party Users with all of the relevant terms and conditions of this Agreement, including but not limited to the first paragraph of this [Section 8](#) (Resale and Third Party Use), [Sections 9 and 10](#) (Equipment), [Sections 12 through 18](#) (Use of Airtime Services), [Sections 19 through 21](#) (Subscriber Information and Privacy), [Section 22](#) (Proprietary Rights), [Sections 29 through 35](#) (Warranties and Liabilities) and [Sections 46 through 83](#) (Service Specific Requirements); and as a condition of their use of the Services, Subscriber shall require its Third Party Users to enter into an agreement with Subscriber requiring them to consent to and comply with the above listed terms. Subscriber acknowledges that, if a Third Party User fails to comply with the above listed terms of this Agreement, KVH shall have the right to limit, modify, suspend or terminate the Services just as it would for non-compliance by Subscriber.

EQUIPMENT

9. Terminal Equipment.

- (a) Terminal Equipment. Subscriber is required to use Terminal Equipment to access the Services. Subscribers of KVH's AgilePlans Service are provided the Terminal Equipment as a part of the AgilePlans Service offering and acknowledge that such Terminal Equipment remains the property of KVH. All other Subscribers, at Subscriber's expense, shall be solely responsible for purchasing or leasing the Terminal Equipment from KVH or an authorized provider. All Subscribers are required to maintain, operate and safely and securely store the Terminal Equipment. Subscriber shall use only the Terminal Equipment with the Services and acknowledges that the Services cannot be adequately provided without such Terminal Equipment. Subscriber shall not modify the Terminal Equipment in a manner that violates this Agreement or would otherwise alter the transmission characteristics of the Terminal Equipment.
- (b) KVH Communication with Terminal Equipment. KVH may, for network management purposes and to improve the Services, communicate with the Terminal Equipment over the network without prior notice or further consent from Subscriber for such purposes as to (i) direct the Terminal Equipment to initiate, cease, or modify its communications with the network; (ii) perform software upgrades to the Terminal Equipment; (iii) test hardware, software, and satellite signal configurations; and (iv) monitor, log, and analyze satellite signal and hardware performance, vessel operation, location or position, and environmental conditions (collectively referred to as "Network Management Communication"). Subscriber hereby consents to such Network Management Communication by KVH.

10. Subscriber Equipment.

Subscriber, at Subscriber's expense, shall be solely responsible for providing, maintaining and operating all other software, hardware and communications equipment used to access or support the Service ("Subscriber Equipment"). KVH makes no guarantee as to, and bears no responsibility for, ensuring compatibility of Subscriber Equipment with the Terminal Equipment and the Services.

USE OF AIRTIME SERVICES

11. Subscribers' Liability for Use, Misuse, Unauthorized Use or Theft of Airtime Services.

- (a) Payment of Charges. Subscriber shall be solely responsible for payment of all charges, including any monthly fixed and overage charges, all charges for individual programming and Content services, including Airtime Service charges for the re-transmission of Content or other materials that may not have been successfully received during initial transmission, and any fees for Network Management Communication, transmission and/or termination of data or voice communications. Subscriber is solely responsible to supervise and control the consumption and use of the Airtime Services. Subscriber shall be solely responsible and liable for unauthorized use of Subscriber's account whether fraudulent or otherwise.
- (b) Airtime Services Rates and Overage Charges. Subscriber acknowledges that the prices for the Airtime Services may include both monthly fixed rates for data transmissions up to a maximum ceiling and additional overage charges for data transmissions in excess of the monthly maximum limit. Subscriber further acknowledges that certain Airtime Services, such as video programming services may be subject to separate fees such as on a per

viewing basis. In addition, certain communications, such as voice calls, may be subject to transmission and/or termination charges imposed by third-party Service Providers.

- (c) Responsibility for Equipment Configuration. It is Subscriber's sole responsibility to ensure that all Terminal Equipment and Subscriber Equipment is properly configured for the particular Airtime Service that Subscriber has selected, and has a continuous source of power and connection to the Airtime Service and Terminal Equipment to receive software and Content updates. It is Subscriber's sole responsibility to gain an understanding of the technical aspects, use, and operation of the Terminal Equipment, and Subscriber Equipment as well as the details and terms of the Airtime Services and the associated rates. KVH and its Service Providers are not to be held liable and are not responsible for any misuse of the Airtime Services or any non-compliant configuration of the Terminal Equipment and Subscriber Equipment used to provide the Airtime Services and Subscriber is solely responsible for any excess consumption or overage of the Airtime Services that results from such misuse or non-compliant configuration.
- (d) No Refunds for Improper Equipment Configuration. KVH shall not under any circumstances abate or refund charges to Subscriber's account arising from the fact that, or on the basis of Subscriber claims that, Terminal Equipment or Subscriber Equipment was not properly configured at the time charges were accrued.
- (e) Subscriber Obligated to Notify if Equipment Transferred or Stolen. Subscriber shall notify KVH immediately in writing if Subscriber sells, gives away or otherwise transfers the Terminal Equipment to another party, or if the Terminal Equipment is stolen or otherwise removed from Subscriber's vessel or other such vehicle or platform. Upon KVH's request, Subscriber shall provide a police report of any theft.
- (f) Subscriber Registered Agent of Airtime Services. Unless and until KVH receives written notice from Subscriber terminating Service as provided herein or unless otherwise provided by law, Subscriber shall be considered the registered recipient of the Airtime Services, and liable for any charges or fees incurred by any use of the Airtime Services.

12. Unacceptable Use of Airtime Services.

Airtime Services shall not be used for any unlawful or unacceptable uses ("Unacceptable Use"), which shall be determined in KVH's sole discretion, including without limitation: (a) posting, disseminating, storing or transmitting duplicative or unsolicited messages, chain letters, pyramid schemes, or unsolicited e-mail (commercial or otherwise); (b) posting, uploading, disseminating, storing or transmitting material of any kind or nature that, to a reasonable person, may be abusive, obscene, harmful, hateful, pornographic, defamatory, harassing, libelous, deceptive, fraudulent, invasive of another's privacy, grossly offensive, vulgar, threatening, malicious or racially, ethnically or otherwise objectionable; (c) obtaining unauthorized access to data, systems or networks, including any attempt to probe, scan or test the vulnerability of a system or network or to breach security or authentication measures; (d) unauthorized monitoring of data or traffic on any network system; (e) interfering or disrupting service to any other user, host or networking, including mail bombing, flooding, attempts to overload a system, and broadcast attacks; (f) forging of any TCP-IP packet header or any part of the header information in an e-mail or newsgroup posting; (g) relaying mail via another site's mail server without express permission of that site; (h) canceling any postings or messages other than Subscriber's own, except for postings in Subscriber's name that have been forged; (i) impersonating any person or entity, including any KVH employee or representative; (j) disclosing Subscriber's password or other means for accessing the Service to any third party, or otherwise facilitating unauthorized access thereto; (k) using the Airtime Services where they are not authorized; (l) furthering criminal activity; (m) connecting and using a non-KVH marketed and approved VoIP service; (n) using the VoIP Service for forwarding US toll-free numbers internationally; or (o) duplicating, using before or after the valid viewing dates, or otherwise violating the copyright and distribution agreements for Content available through the Airtime Services. Subscriber is obligated to ensure that it has the legal authority (based on copyright, trademark, contract, or other body of law) for the transmission and duplication of any programming, content, or other materials that is transmitted over the Airtime Service either by Subscriber or by KVH on Subscriber's behalf. Any Unacceptable Use of the Airtime Services shall be a breach of this Agreement.

13. Airtime Services Limitations.

Subscriber is responsible for abiding by all international and jurisdictional rules and regulations. The Airtime Services may be used in international waters and to the extent permitted, within the territorial waters of various countries. Subscriber is responsible for ensuring that the Services are used only within the territorial waters of countries that permit such use. Subscriber acknowledges that the definition and geographic size of territorial waters for purposes of these limitations varies from country to country. Subscriber also acknowledges that some countries such as the United States permit the unlimited use of the Airtime Services in their territorial waters, while others may allow use of the Airtime Services only on a temporary basis while transiting their waters and others may not allow use of the Airtime Services in their territorial waters at all. The current status of the authority to operate the Airtime Services in individual countries is listed at www.kvh.com/licenses, which status is subject to change from time to time. This list is provided for convenience only and is non-binding on KVH, and KVH has no obligation to update the same.

14. KVH Status.

Subscriber acknowledges that KVH makes the Airtime Services available using satellite and telecommunications networks, programming Content, and other services provided to KVH by third-party Service Providers. The networks and Content vary with regard to technology, configuration, Terminal Equipment, and/or Subscriber Equipment to be used and with regard to application possibilities. An Airtime Service can only be used in relation to the network of the applicable Service Provider. KVH's ability to make the Airtime Services available is therefore derived from and limited by the terms of the agreements between KVH and the Service Providers. KVH will at all times have the right to take measures and/or give instructions to Subscriber that KVH or its Service Providers deem reasonably necessary in order to prevent and/or correct faults in the Airtime Services, which Subscriber shall follow. KVH also has no control and no responsibility or liability over the manner in which Airtime Services are delivered and provided by Service Providers. The Airtime Services and this Agreement will automatically terminate if KVH's agreements with applicable Service Providers terminate, or if KVH ceases to provide one or more of the Airtime Services to subscribers.

15. Airtime Services Availability.

- (a) Fluctuations and Variations in Speed and Transfer Rates. Given ongoing changes to satellite and terrestrial technologies and fluctuations in usage, accurately predicting daily download

and upload data transfer rates is not currently feasible. Published data rates are rate plan maximums (“**Maximum Information Rates**”) and may vary in different regions and conditions. Subscribers of non-HTS Airtime Services will typically experience speeds ship-to-shore that are seventy to eighty percent (70-80%) of the published data rates, although without guarantee. Subscriber acknowledges that, from time to time, the Airtime Services may intermittently encounter variations in data transfer rates because of factors which may include but are not limited to the time of day and congestion on the Internet and/or network as a whole, Subscriber’s own network configuration and usage patterns, and maintenance and upgrade procedures or repairs which KVH and/or its Service Providers, including its satellite operators, may undertake from time to time, including grooming or transition of satellites.

- (b) **Not Error-Free or Continuous.** Subscriber further acknowledges that the operation of the Airtime Services may not be continuous, uninterrupted or error-free. Without limiting the foregoing, the Airtime Services may become unavailable or limited because of network equipment failures, capacity limitations of a Service Provider, emergency pre-emption as required by governmental authorities who have jurisdiction over Service Provider’s systems, or periodic or emergency maintenance conducted by KVH or a Service Provider for modifications, upgrades, repairs, and similar purposes. The Airtime Services are also subject to transmission and reception limitations caused by: (a) service area limitations, including without limitation, changes to the satellites used to provide the Airtime Services, or the coverage patterns of the satellites or topographical conditions, whether man-made or natural that obstruct the line of transmission between the Terminal Equipment and the Airtime Services; (b) the condition of Terminal Equipment or Subscriber Equipment; (c) Acts of God and other causes beyond the control of KVH which are not reasonably foreseeable by KVH; (d) weather conditions; (e) atmospheric conditions (i.e., space debris, solar flares, and other atmospheric anomalies or disturbances); (f) magnetic interference; (g) environmental conditions; and (h) other like conditions. Given these limitations, Subscriber is solely responsible for management of its Subscriber data, including but not limited to back-up and restoration of that data. KVH and its Service Providers are not responsible for the loss of Subscriber data or for the back-up or restoration of Subscriber data.

16. Security; Passwords.

The Internet is an inherently insecure medium and KVH does not represent, warrant or guarantee the security or integrity of any communications made or received using the Airtime Services. Subscriber shall be solely responsible and liable for the security, confidentiality and integrity of all messages and the Content that Subscriber or its Third Party Users receive, transmit through the Airtime Services or store on the Terminal Equipment. Subscriber shall be solely responsible and liable for any authorized or unauthorized access to Subscriber’s account by any person. Subscriber agrees to bear all responsibility and liability for the confidentiality of the passwords of Subscriber and its Third Party Users and all use of the Airtime Services with such passwords.

17. Internet, Programming, and Other Content.

- (a) **Suitability of Content.** Subscriber acknowledges that Internet sites, video programming, and other Content, might consist of, include and/or provide access to images, sounds, messages, text, service or other Content and material that may be unsuitable for minors and that may be objectionable to many adults. Subscriber acknowledges that access to the Internet and video programming Content through the Airtime Services is at Subscriber’s sole risk.
- (b) **Limited Availability of Access.** The reliability, availability, legality, performance and other aspects of resources accessed through the Internet are beyond KVH’s reasonable control and are not in any way warranted or supported by KVH or its Service Providers. Such charge or equitable lien shall be deemed a "Maritime Claim" under Article 1 of the International Convention on the Arrest of Ships 1952 and 1999, entitling KVH (or its agents) to take action against any vessel (or its sisterships) to which Terminal Equipment or Services have been provided.

Subscriber hereby grants KVH a lien upon any and all cargoes, bunkers, hires, sub-hire, all freights, sub-freight relating to any vessel's employment for any sums due to KVH under the Agreement. Neither the waiver by either of the parties hereto of a breach of or a default under any of the terms and conditions of this Agreement nor the failure of either of the parties, on one or more occasion, to enforce any of the provisions of this Agreement shall be construed as a waiver of any subsequent breach or default of a similar nature, or as a waiver of any provisions, rights or privileges hereunder. The provisions of this Agreement are severable and any determination of invalidity or unenforceability of any one provision hereof shall have no bearing on the continuing force and effect of the remaining valid provisions hereof.

42. Notice.

ADDITIONAL TERMS FOR KVH MINI-VSAT BROADBAND SERVICE

The following terms and conditions apply solely to Subscribers that subscribe to KVH's mini-VSAT Broadband services.

46. Prohibited Applications and Content.

Subscribers are not permitted to use the mini-VSAT Broadband service for BitTorrent and all such protocols will be blocked by KVH. Subscribers using fixed rate plans or unlimited use rate plans are also not permitted to use the mini-VSAT Broadband service for peer-to-peer file sharing services, online gaming software applications and streaming media that has not been marketed or approved by KVH and all such data transmissions will be blocked by KVH.

47. Fair Access Policy.

To ensure that all subscribers have equitable access to the mini-VSAT Broadband service ("mini-VSAT Service"), KVH has implemented a Fair Access Policy ("FAP"). Subscriber agrees that KVH has the right to monitor the satellite network for upload and download activity that causes disruption of data transfer rates and poor performance of the mini-VSAT Service. If Subscriber performs upload and download data activity that is excessive and contributes to the disruption of the mini-VSAT Service, KVH is authorized to temporarily limit the transfer rate at which Subscriber

can send and receive data over the mini-VSAT Service without liability or to charge for use beyond the limit. KVH, however, will not reduce the data transfer rate for Subscribers of HTS Airtime Service below the committed information rate ("CIR"), which is the lowest average information rate that KVH will configure a HTS Subscriber's mini-VSAT service. Actual information rates can drop below the CIR as detailed in [Section 15](#) (Airtime Service Availability). Excessive use shall be determined by KVH in its sole discretion, based on the FAP limits or CIR associated with a Subscriber's pricing plan and pro-ration of network capacity of all subscribers simultaneously using the network at any point in time. For fixed rate plan and unlimited use rate plan subscribers, excessive use includes but is not limited to the use of web cameras, voice or VoIP services (not marketed by and approved as part of the mini-VSAT Service), and excessively large file downloads or uploads. Subscribers engaging in excessive use will still be able to use the mini-VSAT Service but Subscriber's transfer rate will be slower. In cases of extreme and continued violation of the FAP, as determined by KVH in its sole discretion, Subscriber's use of the mini-VSAT Service may be suspended by KVH and terminated by KVH if Subscriber fails to cure the violating conditions within thirty (30) days following the dispatch to Subscriber by KVH of written notice of the violation. Subscriber agrees that KVH may use other traffic management and prioritization tools to help ensure equitable access to the mini-VSAT Service for all subscribers.

ADDITIONAL TERMS FOR KVH MINI-VSAT BROADBAND VOIP SERVICE AND LTE AIRTIME SERVICE

The following terms and conditions apply solely to the VoIP Service and the LTE Airtime Service.

Subscriber shall use only the Premises Equipment with the VoIP or the LTE Service, as applicable. For Subscribers that receive the VoIP or the LTE Service, the Premises Equipment shall qualify as Terminal Equipment for purposes of this Agreement.

49. Use of Services and Premises Equipment.

Subscriber agrees that the VoIP Service and the LTE Service are to be used solely in association with the Premises Equipment. Subscriber may not resell or transfer the VoIP Service, the LTE Service, or the Premises Equipment to any other person for any purpose, or make any charge for the use of the VoIP or the LTE Services. KVH reserves the right to immediately terminate or modify the VoIP Service or the LTE Service if KVH determines, in its sole discretion, that the VoIP Service or the LTE Service is being used contrary to the provisions of this Agreement.

50. No Emergency (E911) Service.

Subscriber acknowledges that the VoIP Service, the LTE Service, and the Premises Equipment do not support emergency (911) services and Subscriber agrees to refrain from using the VoIP Service, the LTE Service, or the Premises Equipment for emergency communications.

51. VoIP and LTE Service Billing and Billing Increments.

Call times for each call are rounded up to the next whole minute and billed in full minute increments. Per call charges are rounded up to the next whole cent. All calls for which KVH receives answer supervision may incur a minimum one-minute charge. KVH relies on answer supervision to determine whether and when a call has been answered. Answer supervision is a signal sent by the carrier connecting the call to indicate the start of call. Answer supervision is generally received when a call is answered; however, answer supervision may also be generated by voicemail systems, private branch exchanges, and interexchange switching equipment. Where no answer supervision is received, KVH may commence billing forty (40) seconds following dial time unless the caller has terminated the call.

52. Account Information Website.

KVH will make available to Subscriber, directly or through its third-party Service Provider, web portals, including "myKVH Site," "KVH ebill" and/or "Enhanced VoIP Service Account Center" ("Customer Account Portal") for access to account management, feature control, data usage tracking, equipment configuration and call detail records. Subscriber agrees to review and abide by the Terms of Use for the Customer Account Portal. Subscriber acknowledges that KVH and its third-party Service Provider reserve the right to limit or withdraw access to the Customer Account Portal. All data usage measurements displayed on the Customer Account Portal, or at Subscriber's election, provided to Subscriber through the Customer Account Portal using electronic communications such as text or email, are intended solely for guidance purposes and shall in no circumstance be construed as legally binding or used for actual billing purposes. KVH makes no assurance that it will provide Subscriber notifications regarding data usage or that such notifications will be current or accurate. Subscriber shall be responsible for tracking and monitoring all data usage and shall be solely responsible for payment of all charges, including any monthly fixed and overage charges even if the Customer Account Portal indicates accumulated data usage during the current billing period that is under the threshold that would trigger an overage charge.

53. Reassignment of Number upon Service Termination.

Upon termination of the VoIP or the LTE Service, KVH may, at its sole discretion, reassign a telephone number, access number, or Direct Inward Dialing (collectively "Number") provided to Subscriber by KVH. Subscriber shall not obtain any rights, title or interest in the Number and the Number is not portable to other Service Providers. The Number is not to be used with any other device other than the Premises Equipment provided by KVH and KVH reserves the right to change, cancel or reassign the Number at its discretion.

54. Service Distinctions.

Distinctions exist between a telecommunications service and the VoIP Service or the LTE Service provided by KVH. Each Service provides different functionality and is subject to different regulatory treatment than traditional telephone service. This treatment may limit or otherwise affect Subscriber's rights of redress before any governmental telecommunications regulatory agencies.

55. Tampering with the Premises Equipment or Service.

Subscriber agrees not to modify or otherwise tamper with the VoIP Service, the LTE Service, or the Premises Equipment in any way, including, but not limited to, changing the electronic serial number or equipment identifier of the Premises Equipment, or to perform a factory reset of the Premises Equipment. KVH reserves the right to terminate Subscriber's Service if Subscriber tampers with the VoIP Service, the LTE Service, or the VoIP Equipment.

56. Acceptable Use Policy for the LTE Airtime Service.

Subscriber agrees to comply with the following Acceptance Use Policy for the LTE Airtime Service. The LTE Airtime Service may be used for Web browsing, messaging, and similar activities on approved Terminal Equipment and not on any other equipment. Unless explicitly permitted by KVH, other uses, including for example, tethering a device to a personal computer or other hardware, are not permitted. Examples of prohibited uses include but are not limited to: (a) server devices or host computer applications, including continuous Web camera posts or broadcasts, or peer-to-peer file-sharing applications that are broadcast to multiple servers or recipients, "bots" or similar routines that disrupt net user groups or email use by others or other applications that denigrate network capacity or functionality; (b) any activity that adversely affects the ability of other users or systems to use either the LTE Airtime Service or the network-based resources of others, including the generation or dissemination of viruses, malware or "denial of service" attacks; (c) any activity that KVH or its Service Providers, in their sole discretion deem may harm the LTE Airtime Service in any way; or (d) accessing, or attempting to access without authority, the information, accounts or devices of others, confidential information or Subscriber information or any activity relating to or causing a security breach, or to penetrate, or to attempt to penetrate, the networks or systems of KVH, its Service Providers, or of other parties.

For Subscribers that receive Inmarsat Airtime services, the Inmarsat terminal shall qualify as Terminal Equipment for purposes of this Agreement.

58. Usage Limitation.

When a subscription for Inmarsat Airtime services is activated, KVH may, but shall not be obligated to, impose on each Subscriber of the Inmarsat Airtime service an initial limit on the aggregate voice, data and facsimile consumption for each vessel. If imposed, this usage limit shall be set forth on the pricing plan in effect at the time of Subscriber's activation. Subscribers that wish to exceed the limit must execute an Airtime Usage Authorization Form acknowledging that they understand and fully assume the risks and liabilities of such an election. KVH will accept an Airtime Usage Authorization Form only if it has been executed by the Subscriber or its Authorized Representative and returned to KVH.

59. Third Party Interference.

Subscriber acknowledges that, for use of Inmarsat terminals in the United States and U.S. waters, third-party terrestrial service providers using L-Band spectrum may on occasion have the potential to cause interference with Inmarsat terminals in the future where such terminals are in close proximity to terrestrial L-Band base stations. Neither KVH nor its Service Providers shall be liable or responsible for any impact that such interference may have on any terminal or related service.

60. SIM and Access Numbers.

Except where law provides otherwise, either KVH or the Service Provider owns the SIM and access number assigned to the Inmarsat Terminal. To the extent permitted by law, KVH and/or the Service Provider reserve the right to change the access number without liability. Subscriber's privileges to use the access number may be withdrawn upon the termination of Service. Any Personal Data collected will be processed and handled in accordance with KVH's privacy practices detailed in [Section 19](#).

61. Core Module Monitoring.

Subscriber acknowledges that KVH's Service Provider may automatically access and record core module information, SIM Card and Inmarsat terminal settings (as applicable) for the purpose of Inmarsat terminal and SIM Card identification and billing. The core module and SIM Card contains a security certificate used for authenticating an Inmarsat terminal on the Inmarsat network; collects usage statistics; and contains configuration parameters that make up that Inmarsat terminal configuration. Subscriber further consents to KVH's Service Provider monitoring network connection and network performance, and to KVH's Service Provider accessing and adjusting Inmarsat terminal settings, as they relate to the Services. KVH's Service Provider does not share information collected for the purpose of network performance monitoring or for providing customized technical support outside of the Service Provider or its affiliates.

62. Confidentiality.

KVH's Service Provider treats the communications of Subscribers as confidential in relation to the communications of other Subscribers that are being transported through the virtual private network segments of Inmarsat's network. Subscriber agrees to be responsible for maintaining the security of their Inmarsat terminals and Subscriber data, including without limitation, encryption of Subscriber data and protection of their user ID, password and personal data. Subscriber shall, promptly contact the KVH customer service desk if they believe their login credentials have been lost or stolen, that someone has gained access to their account or login credentials without permission, or their terminal device has been compromised in any way.

If an individual holds an account or PIN number issued by KVH for viewing Content on a distinct personal device and leaves the vessel, that account or PIN number cannot be reassigned to another individual during that month. Multiple IP-MobileCast subscriptions must be secured for a vessel if it exceeds the number of individuals and/or distinct personal devices authorized on the Service Order. In order to ensure Subscriber's compliance with this Section 64 (Subscription User Limits), Subscriber acknowledges and agrees that KVH shall have the right to (i) conduct periodic audits and examinations of Subscriber's records concerning the number of individuals onboard a vessel during any one month, and (ii) monitor Subscriber's account activity to verify the number of distinct personal devices used to access Content during any one month. In the event of loss or damage, Subscriber, at KVH's sole option, shall (a) pay KVH to repair the damaged Terminal Equipment, (b) or replace lost or unrepairable damaged Terminal Equipment with a purchase of equal or greater value Terminal Equipment from KVH.
